Application No.: 10/678,428 Docket No.: IB-1847 US- LBNL-225-US

REMARKS

This amendment is submitted to make minor corrections to the claims, and is based on the claims as amended by the Examiner's amendment.

Specifically, the dependency of claim 3 has been changed from claim 3 to claim 1, as this was an obvious error (otherwise claim 3 depends from itself).

Also, claim 44 has been amended by replacing "electrode" with "of the cathode or anode" to provide consistent terminology within the claim.

Entry of this amendment is respectfully requested.

Any fees due but not submitted herewith may be charged to deposit account no. 50-0624.

Dated: June 8, 2006

Respectfully submitted,

By _____
